HISTORIC CALL FOR CITIZEN PARTICIPATION FROM MAYOR PALMER:

You know how personal it feels when decisions affect you - especially without your voice being heard.

That's why we need you at the City Council meeting this Tuesday at 6:00 PM.

We're deciding between remaining a Class A City or becoming a Home Rule City — and your input matters more than ever.

We're also forming citizen committees to make sure your voice is part of the process from the beginning.

Please come. Speak up. Help shape the future of our City.

To Willow Park's best future,  
Teresa Palmer  
Mayor, Willow Park

Please RSVP via this email.
