Week ending Friday, 30 May 2024

“It has been observed by an honorable gentleman, that a pure democracy, if it were practicable, would be the most perfect government. Experience has proved, that no position in politics is more false than this. The ancient democracies, in which the people themselves deliberated, never possessed one feature of good government. Their very character was tyranny; their figure deformity.”

Alexander Hamilton, Speech to Congress, June 21, 1788.

Founding Father, first U.S. secretary of the treasury.
